

NovemberFest 2016

Last year we served around 1,000 meals for NovemberFest. The number keeps increasing each year which is exciting! It takes around 40 fruit salads and 40 broccoli and/or macaroni salads, and a minimum of 170 pies, so every food item brought in is greatly appreciated!! This year we are asking all households with the last names beginning with the letters:

A—H to bring 2-3 pies

J—L to bring Broccoli Salad (**note the larger recipe**)

M—O to bring Macaroni Salad

P—Z to bring the Fruit Salad

Extra pies will be needed again this year to reach our goal of 170 pies so if members will consider making an extra pie, it would be greatly appreciated!

Please try to bring your salads in an ice cream bucket and pies in disposable tin pans. Thank you all for your help!!!
