We are looking to collect plastic sacks for the LOGOS Lenten service projects! If you have extra to spare, drop them off at the church office! Thank you!

Media Modernization Team

The Church Congregation Council has started discussing the possibility of an upgrade to our Sound & Projection in the sanctuary! We are looking to form a small group of people to research and implement these updates. If you have experience with technology or are willing to help us research new equipment and contact specialists, we would love to have your help. Please contact the church if you are interested!
